Dear Mr. Lucas,

As Sheriff of Walker County; I frequently come in contact with young people who have made wrong choices and chosen the wrong path in life. The Winner's Circle Program gives them the opportunity to turn their life around with the guidance of role models. The program relies on strong Christian based adults committed to helping these young people reach their full potential both socially and academically.

The Winner's Circle Program will benefit the community greatly. Productive young adults striving to achieve their best. I support your efforts whole heartedly. May God bless you and all the individuals dedicated to this project.

Sincerely,

A handwritten signature in black ink that reads "Clint R. McRae".
